

# POWER CHECK DAY

## JULY 2, 2014

*Have you checked your power lately?*

On July 2, join voters across the country for a power check. Make sure you are registered and on the list to vote for the midterm election.

### What is Power Check?

Power Check is a national campaign to remind voters to verify their power by checking their voting status.

### Why is it important?

Our vote is our power. When we vote, we help make changes in our communities. We can do this by voting in record numbers for the November 4, 2014 midterm elections.

### Why July 2?

July 2, 2014 is the 50th anniversary of the enactment of the Civil Rights Act.
